Security Tips

- Never hide keys outside. Potential offenders know where to look.
- Never leave your vehicle unlocked or with the key in the ignition.
- Don't leave items of value visible in a vehicle, eg the laptop sitting on the back seat, iPod or iPads in the centre console and thieves will break windows to get to your parking meter change .
- Secure your property. When you are not using something, store it away - bikes in the garage, tools in the shed. Criminals look for easy opportunities and theft takes but a few seconds.
